Grand Hyatt Hotel, New York City

Englewood Cliffs, NJ – (February 9, 2015) Founder and CEO, Carey Lyons, today announced the 11th Annual Mega'Gen International Symposium – **This Changes Everything**. Faster, easier and better patient focused implant dentistry.

Top leaders in the industry share their insights and innovative techniques.

- Dr. Gordon Christensen
- Dr. Michael Pikos
- Dr. Howard Farran
- Dr. John Kois
- Dr. Roger Levin
- Dr. Burton Langer
- Dr. Nicolas Elian
- Dr. Jack Krauser
- Dr. Dennis Smiler
- Dr. Miguel Stanley
- Dr. K.B. Park
- Professor Thomas Han
- Dr. J.C. Kim

"This fast moving, information-rich Symposium will provide attendees with valuable insight on a variety of implant related procedures from quite possibly the most outstanding group ever assembled on the topic," stated CEO, Carey Lyons. In addition, registration includes Friday night cocktail party, Saturday deli lunch, Saturday night NYC Supper Club Gala 3 course dinner including entertainment and 13 CEU.

Megagen Implants was founded by Dr. K. B. Park in 2002 and is one of the fastest growing implant brands in the world. Started as an outgrowth of Dr. Park's renowned MIR Dental Network of 22 world class clinics, Megagen offers over 2,000 products. With more than 15,000 users worldwide and 3,000 in the USA, Megagen Implants are backed by years of successful procedures and a warranty unequalled in the industry. Developed by clinicians for clinicians, their innovative products have earned a global reputation for being tissue friendly, providing unsurpassed quality, faster and better osseointegration and the elimination of bone loss.
